Our Business

Marine Power International FZC (MPI), an ISO 9001 / 14001 & ISO 45001 certified company, has been providing OE spares and services for 20 years from multiple locations worldwide for:
- Diesel/gas engines
- Turbochargers
- Separators
- Compressors

MPI is headed by ex-Chief engineers having more than 35 years of experience with diesel engines.

- MPI represents various component manufacturers who supply the Engine makers
- ERP enabled warehouses in UAE and Netherlands stocking 20,000+ spare parts worth €18 million, MPI ensures ready availability of OE spares
- All spares supplied by MPI are backed by the warranty of individual manufacturers. Additionally, MPI has Liability insurance cover for Euro 2.5 million
- To supplement its product offering, MPI also provides Service support, Technical advice and Engine Performance analysis at multiple locations - UAE, India, Singapore, Netherlands, Saudi Arabia and Brazil
- The fact that various top companies have entrusted us with operation and maintenance contracts of their engines and auxiliaries, is a tribute to our technical competence
- Lastly, MPI conducts training sessions on 4-stroke medium speed diesel engines, turbochargers and separators at Mumbai, India

Key Principals

Fuel Injection Equipment

Bosch

Valves and Rotators

Woodward

Pistons, Gudgeon pins and Liners

Federal-Mogul

Bearings for 2 & 4 stroke engines

Piston rings

Vibration dampers and Couplings

Driven by performance

Geislinger
Scope

Spare parts/Components supplied by MPI are the same make as that supplied by the engine maker. Hence, the client is assured of an OEM at a competitive price and with a better guarantee.
